APOLLO
ENTERPRISES LTD.

Apollo Enterprises, a specialist in supplying the very best of Indian natural stone across the world. A name synonymous with some of the finest slabs, tiles, countertops and monuments, that add to the aesthetics of some of the most elegant architectural structures. APOLLO - A name that is immensely popular in the stone markets of the US, Canada, Europe and the Middle East.

With our excellent infrastructure and network, we are able to source the best selection of blocks which are then cut and polished using state of the art stone processing machinery. This has resulted in Apollo being one of the leading suppliers of fine natural stones.

Apollo's strongest point is the superior quality of its products. To achieve this we ensure that only the finest raw material is used. These well selected & carefully dressed blocks are then processed using the best and most sophisticated stone cutting and polishing machines.

- Blocks are dressed using wire saws.
- Slabs are cut using jumbo gang saws.
- Slabs are polished on automatic line polishers.
- Tiles are cut and polished on automatic tile line.
- Monuments are cut on block saws and polished on surface polishers.
- Counter-tops are finished on profiling & edge polishing machines.

Apart from using the best available machinery the industry has to offer, Apollo's team of dedicated quality controllers ensure that each and every piece is checked and thoroughly inspected for all aspects before they are packed and dispatched to our valued clients the world over. Only those materials which pass our stringent quality control standards are cleared for shipment. It is this obsession with quality and the dedication of our work force that has earned us our reputation as one of the most reliable and dependable suppliers. You can count on us to deliver quality products. On time. Every time.
