Milleniummarble

What has always inspired me is seeing happy home owners and helping breathe life into thoughts and dreams of so many architects and interior designers we have worked with. I have built Millenium on the motto of our word is our bond, and it has helped us channel our relationships into almost every corner of India.

Mr. Rajendra Agarwal

Founder, Millenium Marbles

Today, we stand as a testimony to our aim, every stone from Millenium is an epitome of enduring quality.. and for me, it has been a magical journey.

#### Who We Are?

- Millenium Marbles has been in the imported marbles business for the last 2 decades in Silvassa, Dadra.
- Our 2nd manufacturing unit is in Shoolagiri, off.Hosur Road, Tamil Nadu.
- Our imports comprise of Marbles, Granites, Travertines and Onyx Stones blocks and slabs.
- We have 7 Gang Saw Cutting machines, 3 resin plants, 6 hand polishing machines, 1 SIMEC polishing plant which give you over 15+ lakh sq.ft of Imported stones.

#### What Do We Do?

- Support your choices and project deadlines, we produce 30,000 Sq.Ft. of stones per day.
- We supply to almost every marble market in India.
- We import from over 15+ countries.
- We have our own IOS and Android application to give you an exclusive first-hand view of our stone stocks.

#### Why Us?

- Our relationships with international suppliers ensures us premium block & slabs availability.
- The benefits we provide are timely delivery, top quality stones, and becoming a team extension of our clients' businesses/stone needs.
- We also seek to pass on our knowledge to our clients to make them better informed.
- We have 300+ stone choices to complete your project requirements with ease.
- Our suggestions are based on our company ethos, "to save our customers time & money".
