# AHLUWALIA MARBLES

AHLUWALIA MARBLES

Ahluwalia Marbles Pvt. Ltd. was established by Mr. M.S. Ahluwalia in June 1974, by the name of Associate marble and with the immense hardship. The firm corporated as Ahluwalia Marbles Pvt. Ltd in August 1997.

Ahluwalia Marbles Pvt. Ltd. is one of the leading importers of premium quality natural marbles mainly from Italy, Spain, Greece, Turkey and several more countries.

Ahluwalia Marbles has a rich tradition of excellence in quality and a legacy of business leadership in the offering of its products and services worldwide, whilst aiming at providing ultimate customer experience. The Group's activities are driven by its diversified portfolio of business interests.

Our philosophy is to do best, which forms the core of everything we do. 'If you serve it your best, you get the best' No doubt, company is well-equipped with integrity.

We can deliver the quality as we can understand the quality. Our director Mr. M.P. Singh has an unmatched experience of last fifteen years in procuring the material directly from the quarries.

We bring to you Italian Marble unmatched in quality. Gloss, height and calibration in sync with international standards.

We are direct importer of Italian marbles. As a major manufacturer of a variety of marble products, we process it with all modern technologies. Our Factory is spread over 5 acre of land. Our large quarries ensure regular supplies of unique textures, shades and wide spectrum of colors ensuring execution of large scale projects and prompt delivery of finished products.

We have an efficient, experienced and enthusiastic human resource, who delivers their best to make our products popular all over India. We also possess a highly experienced research and development team who has been striving to produce highly innovative products.

Plant located at Udaipur in India. Our plant holds the distinction of being the India's best supplier in Italian Marbles.
