Company Profile

Welcome to Crystal Granite & Marble Pvt. Ltd., a Company catering to the Global Market for Indian & Imported Natural Stones. The Company which started its operations in 1984 and later taken over by the Dynamix Group in 1989 sets a glaring example of what professional management can achieve within a short span.

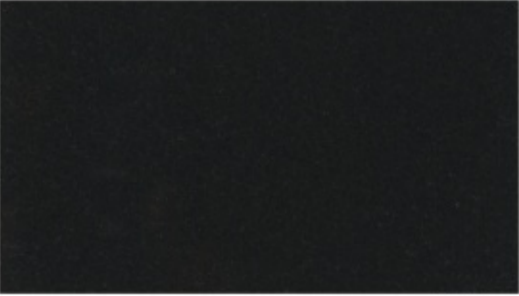

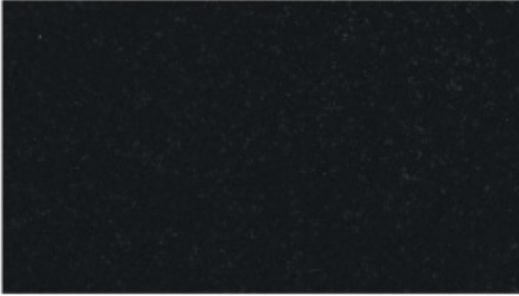

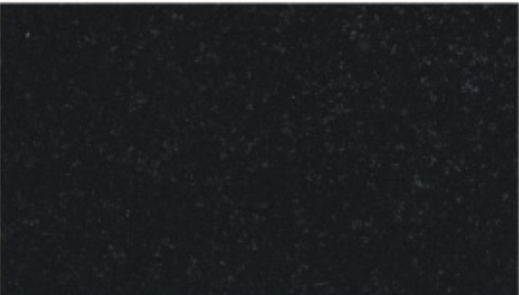

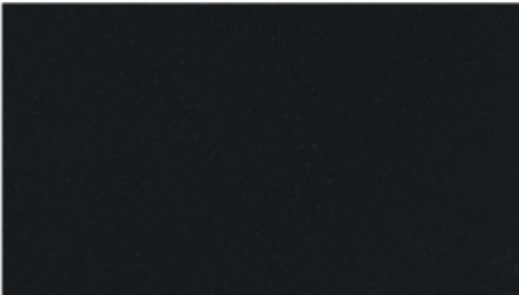

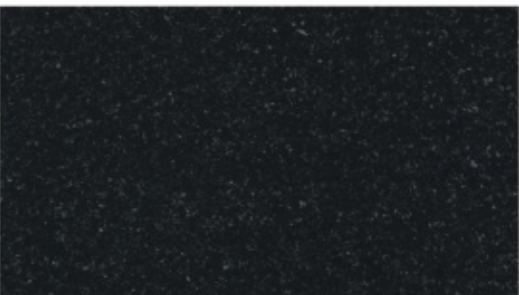

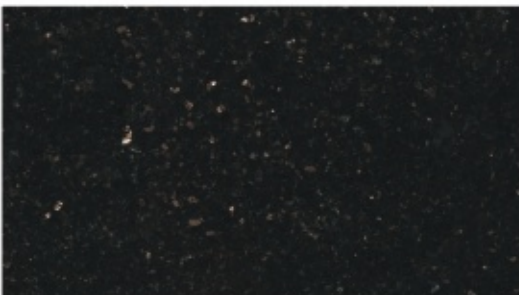

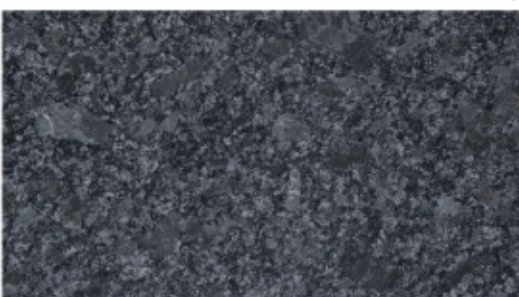

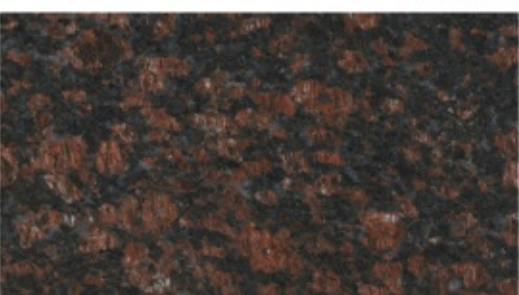

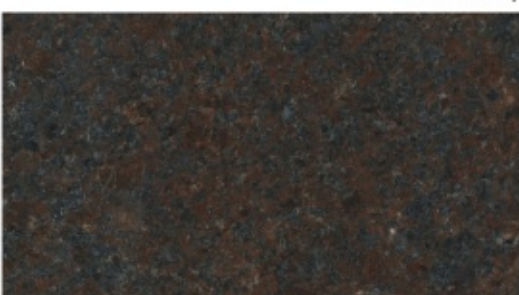

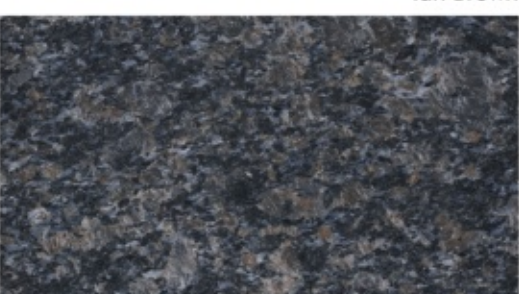

Since its take-over, Crystal Granite & Marble Pvt. Ltd., was converted into a 100% Export Oriented Unit (EOU), and the management, by inducting professionals, drew up various marketing strategies with an emphasis on quality, reliability and competitiveness. From a capacity of producing 50 containers per annum, it has grown multifold and boasts an impressive annual production capacity of 36,00,000 Sft of granite slabs. Crystal is one of the few Companies having the integrated facilities to process all types of granite products - slabs, pre-fabricated counter tops & vanity tops, cut-to-size panels, etc, under one roof, in various finishes, such as Polished, Honed, Flamed, Brushed (Riverwash), etc.

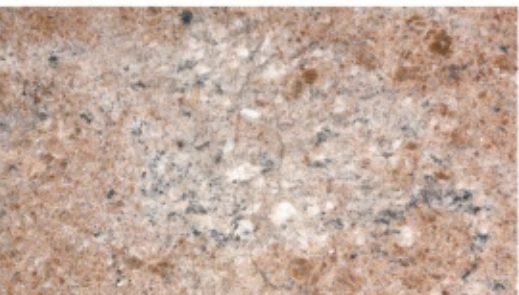

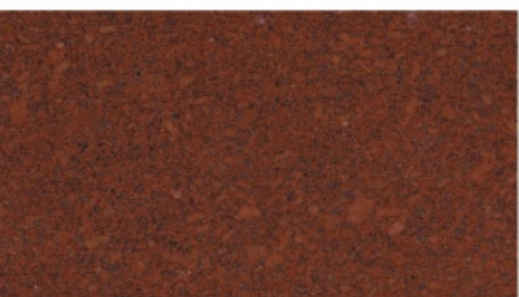

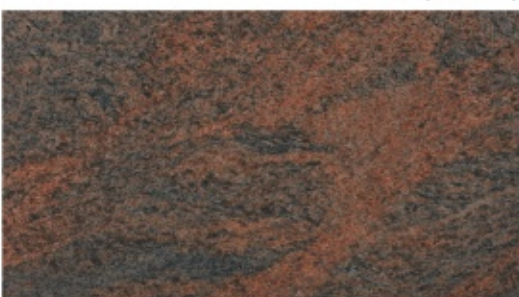

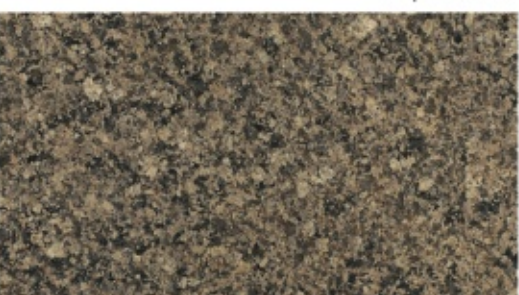

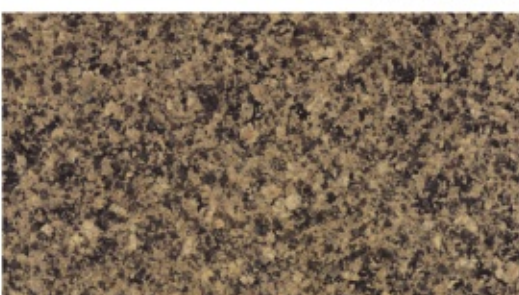

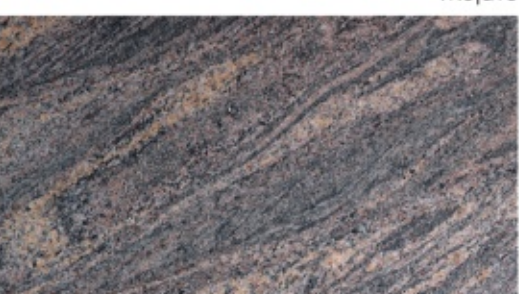

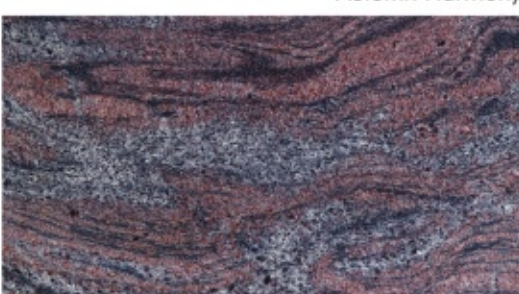

The Company has two fully automated processing units - one at Satara located approx 250 kms from Mumbai - the Commercial Capital of India, and one at Bangalore - the Granite Capital of India.

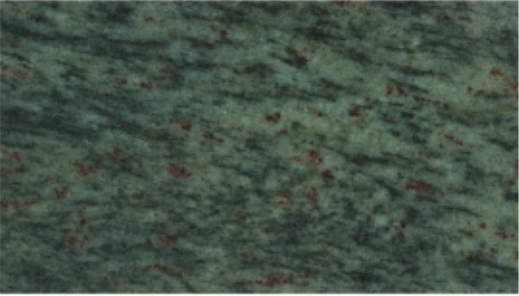

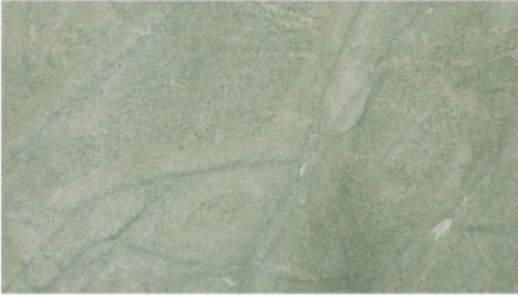

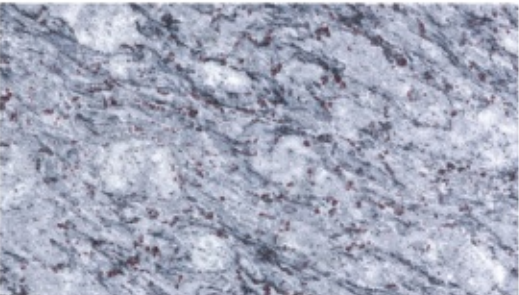

The thrust of the Company has always been in the field of export and capturing the world markets. The Company's core strength lies in its constant endeavors to promote new varieties of Granites, from various countries, from time to time, and also its ability in having fine tuned its concept of Customer Satisfaction to a razor sharp understanding of its clients' needs. Crystal's exceptional strength lies in its bold commitment with a team of highly skilled artisans to take up prestigious and time bound projects.

Consistent and committed efforts of the Company in offering world-class products to meet the most stringent quality standards has earned a lasting reputation as a dependable exporter and service provider. The Company's continuous contribution in the field of exports has gained recognition through various Export Awards presented by concerned departments of Trade & Commerce of the Government and other Trade Bodies.
