Quarries

Rasun Tan Brown Quarry

The Founder and Chairman of RASUN GROUP & NASA, Ravinder Kankar Reddy is a name to reckon with in the Indian Granite industry. He has a penchant of bringing global standards to the country and is known for his relentless pursuit of quality and innovation RASUN GROUP, with diversified interest in mining processing infrastructure real state owes its reputation high integrity in operations and trailblazing growth. Mr. Reddy is noted for his philanthropy and acumen in human resources.

Aiming to be the best

In 1988 RASUN GROUP & NASA took its roots as a 100% export unit for quarrying dimensional granite blocks and production of polished slabs & monuments in the Granite rich region of Andhra Pradesh. By keeping the eye on the future and consistently aiming to be the best, these roots have grown up, out and into so much more.

The product offerings from RASUN GROUP & NASA comprise dimensional granite blocks, slabs, tiles, cut-to-size stones, gravestones and monuments. They come in rare hues, textures and amazing varieties to find pride of place across the world including USA, Canada, European Union, UK, Middle East, Far East.

To stay competitive, we have also ensured complete control of the entire production process, right from raw material sourcing to on time delivery RASUN GROUP & NASA owns mining land having more than six colors across the South Indian states.

At RASUN, we remind ourselves constantly of the fact that machines and quarries do not make works of art, people do. Our human resources, nothing short of the best, is a veritable blend of technicians, thinkers, artists and managers. Their functions are streamlined by globally accepted systems and procedures.

Mission

To be a supplier of choice to buyers of Granite throughout the globe.

Our Core Values

Uncompromising quality commitment and customer value creation with utmost integrity and sincerity towards all relations.

Thorough Quality Checks

When it comes to perfection, God is invariably in the details. At RASUN, we leave no stones unturned when it comes to quality. Our professional team takes extra caution to ensure consistent standards in quality. Naturally, every stone that comes out of our factory has international standards etched all over it.

Our Policy

We strongly believe in the concept of “A Satisfied customer is the best advertiser”. Customer satisfaction is our priority.

RASUN Black Galaxy

Production Capacity: 17,000 to 20,000 CBM/ annum.
Available as: Gang Saw Slabs, Cutter Slabs, Cut-to-size Slabs, Tiles and Processed Dimensional Blocks.
