CHEMISTRY OF SUCCESS

What comes to mind when you think of consistent? To many consistent means steady, firm, confirming to character, free from variations. In the context of our growth core values . Leadership . Focused Strategy . Customer Satisfaction . Long Term Relation values . At Rishabh we proud our track record and who we are, An experienced, focused, global management team with consistent vision and objectives.

COMPANY PROFILE

Shree Rishabh Since 1988 is situated in the heart of the Aravalli mountain range at Udaipur, a town which has become renowned as the most important centre in India for quarrying and commercialization of Marble & Granite.

The main factors behind our success are the two mechanised quarries of high quality Green Marble at village Rishabdeo and a factory fitted with state of the art plant and machinery supplied by SIMEC spa Italy.

Equipped with Derrik cranes, Escavators, Loaders, Wire Saws and Chain saws, our state-of-the-art plant for cutting and polishing proves the quality of products.

Above all, our incessant endeavor to impart total customer satisfaction makes us one of the leading companies in production and export of High Quality Green Marble, Sandstones & Granites which have found lucrative markets worldwide.

EXPORT

Shree Rishabh is a leading Company in the field of quarrying, finishing & stone Exports. Its products have stolen the show at most international exhibitions. Quality from India amazed visitors and prospective clients. Most of all the quality of stone and specifications, smooth finishes, bevelled edge specimens, mammoth slabs, turned parts and balusters etc. confounded experts and architects. Here is a Company with products to reckon with

WE FOCUS ON THE
TECHNOLOGY

Marble Quarries

TRANSFORMATION

Rishabh owns 3 quarries of Marble and 4 quarries of granites. The processing is done by latest derrick cranes, Chain saws. The Factory is equipped with state of the art Marble Gangsaws Granite cutters, Bridge cutting machines and Italian Simec spa automatic polishing line and various other machinery. We are producing high quality marble and granite since 1988 and transforming raw to finished high quality material by using these high tech machines.

Granite Quarries

FACTORY

Coupled with realistic prices, Shree Rishabh Export's offerings are ever a winning combination.

In the heart of the Aravalli mountain range in Udaipur are six extensive mechanised quarries of high quality white and green marble located in Rishabhdeo and Kelwa, equipped with various machineries such as derrick cranes, loaders, wire saws, chain saws, gang saws, Line polisher machine, edge polishing machine, bridge cutting, Edge cutting machine, are used in creating the finished products for the customer.
