Shree MARBLES & GRANITE PVT LTD.

"Contemporary choice for natural stones"

Shree MARBLES & GRANITE (PVT) LTD., a BOI registered company where imagination and innovation are shaped to establish your domain. We are into the stone industry for over two decades. Our company has continued to build a reputation for impeccable service and attention to detail. With a clear understanding of building trends and the changing standards in styles our company continues to lead the industry with exciting new product lines, finishes with the large slab sizes for our growing client base.

We are specialized in laying bigger sheets or slabs of marble and granite with uniformity which gives an elegant carpet like look with less number of joints and easy to maintain for customers. Customers can also choose from a variety of finishes including flamed, antique, brushed or even bush-hammered. The extensive choices offer our customers new dimensions in visual effects for floors and walls alike.

Architects and builders will find our new and innovative product range ideal for providing the finishing touches and really setting a project apart. We focus on creating added value for each customer by concentrating all our operations on perceived customer requirements and satisfying their needs with maximum cost efficiency. We insist on the policy of "Serving customers, Adapting to markets, Improving Quality, Continually Developing" and own a great team of highly qualified management and technical personal. A professional managed approach of timely deliveries, competitive prices with quality matching world standard and rock like reliability of the company's resources will be the hall marks of the company.
